MISSION MOMENTS

OUR BLOG

Lanae compiled these resources while serving as a Volunteer Resource Specialist with Family Beehive – Lanae’s resources are special in the sense that they were once very useful to her as a mom in the city, and now she wishes to share them with the rest of the Hive community. **“We’ll find a way!” – Laura Cashel,
Family Beehive Founder**

We are pleased to announce our partnership with **NYC Department of Health and Mental Hygiene**, which seeks to promote home visiting services to families residing in communities disproportionately burdened by maternal and infant health inequities through the implementation of the New Family Home Visits (NFHV) initiative.

We hosted our very first Annual Staff Retreat where we created the blueprint to our new Volunteer Initiative!

WE HAVE MERCH!

JOIN OUR CALENDARS

Never miss an event with the Hive! We have created both Member and Partner calendars on our website. [Click below to view!](#)

Money collected from the merch shop will go directly to supporting our families.
